eve

EVE and EVE Plus specifications

ilevia

| 115 mm | 8 DIN units | 140 mm | 115 mm |

60 mm

Size and weight

Height	115 mm
Width	140 mm
Depth	60 mm
Weight	1,0 Kg

Ports

Top side:
Power Plug
Network Connection 10/100/1000

Right Side:
SD card for backup system

Compatibility

Home automation systems KNX
Home automation systems VIMAR
Home automation systems BTICINO (2011)
Systems made by ModBUS TCP (2011)
iPhone, iPhone 3G, iPhone 3GS, iPod Touch
Symbian OS
Windows Mobile / CE
MAC OS X - Windows XP / VISTA
Eve Controller

Power

DC Input	24V	18.0 - 36.0V
Absorption		200mA@24V

(as power electricity consumption)

Environmental requirements

Input Voltage	da 18V a 36V DC
Temperature range	5 a 55° C
Relative humidity	from 5% to 95% (noncondensing)

Basic equipment

EVE
User Guide in USB card
Technical manual in USB card
EVE Manager management software
Wired power connector

Quality system certifications

RoHS
CE
